

SNOWBOARD TEENAGERS FROM 10 YRS & ADULTS

WHICH LEVEL AM I?

WHICH GROUP SHOULD I BE IN?

I'm a complete beginner.

I have never tried snowboarding.

**DEBUTANT
MINI RIDER**

I have passed the **Minirider level** : I can take the chairlift, slide on one foot and flat ground, change between frontside and backside, control my speed and turn in frontside or backside on a blue slope.

**RIDER
BRONZE**

I have passed the **Rider de Bronze level**: I can snowboard with minimal side slipping. I have mastered turning frontside and backside at varying speeds. I have done the first basic tricks, tried freestyle and powder.

**RIDER
ARGENT**

I have passed the **Rider d'Argent level**: I can do basic turns of varying lengths, Fakies on blue slope, 360's flat on a slope and 180' going from front to back. I can do basic Ollies and have tried the snowpark.

**RIDER
VERMEIL**

I have passed the **Rider Vermeil**: I can cross slopes without side slipping. I've mastered gliding front and backside, Fakie turns of varied lengths and have started to experiment in the snowpark, in powder and straight running.

**RIDER
OR**

I have passed the **Rider d'Or level**: I can do carved turns, I have mastered the snowpark and can ride in all snow conditions.

**FREERIDE
FREESTYLE**

If your level is full, don't book a different one!
