

SNOWBOARD TEENAGERS FROM 10 YRS & ADULTS

WHICH LEVEL AM I?	WHICH GROUP SHOULD I BE IN ?	MEDALS
I'm a complete beginner I have never tried snowboarding.	SNOW	
I have passed my Snow level : I'm autonomous with my snowboard, I can take the chairlift, slide on one foot and flat ground, change between frontside and backside, control my speed and turn in frontside or backside on a blue slope.	SNOW 1	
I have passed my Snow 1 level : I make linked turns on blue slopes and easy red slopes, control my speed in all circumstances, Manage the overall body position and balance, I'm able to do small jumps whilst moving down a gentle slope, and on the flat, I can do a stationary ollie and 180° rotation.	SNOW 2	
I have passed my Snow 2 level : I can make linked and different radius turns on red slopes, turns in switch on easy slopes, able to do basic jumps and rotations in motion, and initiated in snowpark and snowboarding on different types of snow.	SNOW 3	
I have passed my Snow 3 level : I'm able to do different radius turns on red and black slopes, did my first carved turns, can ride in all type of snow, can do switch riding on steeper slopes, different manoeuvres on the flat and freestyle skills in the snowpark.	SNOW EXPERT	
If your level is full, don't book a different one!
